

Outstanding Buys Feature of Thrifty Drug Store Anniversary

An invitation to all local residents was issued by Jack Mertz, manager of the South Bay Thrifty Drug Store, to visit the store and take advantage of the many outstanding bargains in all departments during their current anniversary sale.

"This is our first anniversary celebration and we have gone all out to make it a big money-saving event," Mertz declared. "Every employee of the South Bay Thrifty joins me in the desire to share our anniversary values with everyone in town. This is our once-a-year opportunity to offer really sensational anniversary sale specials which will prove more than ever that it pays to shop for less at Thrifty."

Thrifty's anniversary sale is scheduled to run through Saturday, June 7. Every department in the store is geared to offer selected bargains which can be seen in the Thrifty ad elsewhere in this paper — as well as on the display shelves of the store.

Sale Items

Among the featured items at specially reduced prices during this gala celebration are children's two-ring wading pool, nylon hose, men's sport shirts, women's wash dresses, cleansing tissues, toilet soap, nail polish, bubble bath, charcoal,

Dealer Explains BMC Price Slash

The price reduction on British Motor Corp. cars (MG, Austin Healey, Austin and Morris) announced Monday is the result of increased sales, increased production, and a drop in the overseas shipping costs, Robert Greenwald, owner, Newcastle Sports Car Centre, Ltd., at Hermosa Beach, reported today.

He said the price reductions—ranging from \$50 to \$200—represent somewhat of a paradox on the law of supply and demand because BMC cars are more in demand now than ever before.

"This is the first time in my many years in the automotive business that I've seen prices reduced when sales were up," Greenwald said.

and a wide variety of other outstanding buys.

Gil Hodges Appears

As part of the local Thrifty Drug Store's anniversary celebration, Gil Hodges will be the guest of the South Bay Shopping Center Thrifty Saturday, June 7, between 11 a.m. and 12 noon. Hodges, star first baseman of the Los Angeles Dodgers, will answer all questions about baseball and sign autographs during his appearance.

For the kids, Thrifty will give away 2500 free balloons. In addition, free cosmetic samples will be distributed as long as the supply lasts.

Widely Accepted

The South Bay Thrifty Drug Store was designed from the outset to give local residents the finest and most modern shopping facilities possible. The customer response has proven that this store's complete variety of quality merchandise and low prices are to everyone's satisfaction.

During the past year a few changes have been made commensurate with customer demand. A much larger and greater variety of stock has been added to the sporting goods department, where anything from a baseball to an outboard motor can be purchased. To the fountain department has been added more new booths and the Hand-Dip Ice Cream Department has stocked a tremendous selection of Thrifty award winning ice creams.

Manny Borum, vice president of Thrifty Drug Stores, stated, "During the past year we have looked with pride and a great deal of satisfaction at the acceptance and growth of our store in the South Bay Shopping Center. During the ensuing year, we look to even greater growth in this area and Thrifty stands ready to meet every wish of every customer."
